Foreword.

Publication of this Index and History of the Legislative Bills of the Twenty-second General Assembly of Colorado is for the purpose of facilitating the work of the Session, and to enable the members to better perform their tasks as public servants. The material at hand has been arranged in form most convenient for ready reference.

Senate Resolution No. 3 authorizes the special work of preparing and arranging the material for printing. Inaccuracies are bound to creep in, considering the haste with which this work was prepared. Authorized January 22; in the printers' hands February 3.

Taking this opportunity I wish to thank the officers and employees of the Senate and House for their courteous and helpful co-operation. As far as obtainable the record is complete up to and including February 3.
